

## OUR LADY OF LOURDES & SAINT JOHN FISHER PARISH SYNODAL PATHWAY

Meetings for conversation and shared thinking February and March 2022

In the coming weeks there will be a range of opportunities for people from both the OLOL and SJF communities - and beyond! - to meet and speak together about the ideas and questions for the 'synodal pathway'. In this way we can all contribute to the Synod, and prepare ourselves to complete the Diocese's online form. [This can be found here: <https://www.rcdea.org.uk/synodal-pathway/> - Click on the "Tell Us" tag.] \*See below

Perhaps even more importantly, though, getting together, in person or online in these conversations, will help us think together as Christian communities, and grow into the work God is calling as to do – as individuals, households, groups and a parish. We can learn together and from each other, and get to know one another better.

The list of meetings – at various times, places and formats, to include as many people as possible - is set out on the other side of this sheet.

Please come to whatever you can. All meetings are open to everybody – including people you may know who don't come to church; and you don't have to commit to going to more than one, or to a regular time. Zoom links will be included in the email version of the Newsletter so that they can be easily accessed. Our little team will be listening carefully and helping the conversations if needed, and will share general reflections on what is being said in updates to the parish. Please be assured, everything shared in the group will be kept confidential and heard with respect and care.

Any questions, do speak with Fr. John and / or email [clare@drwatkins.co.uk](mailto:clare@drwatkins.co.uk), with the Subject Line: Parish Synodal Pathway.

*\* If you would welcome some help in accessing and completing the online survey, let Fr. John know and one of the team will contact you.*
